

Waterfall Rack With Top and Stemware Holders Assembly Instructions:

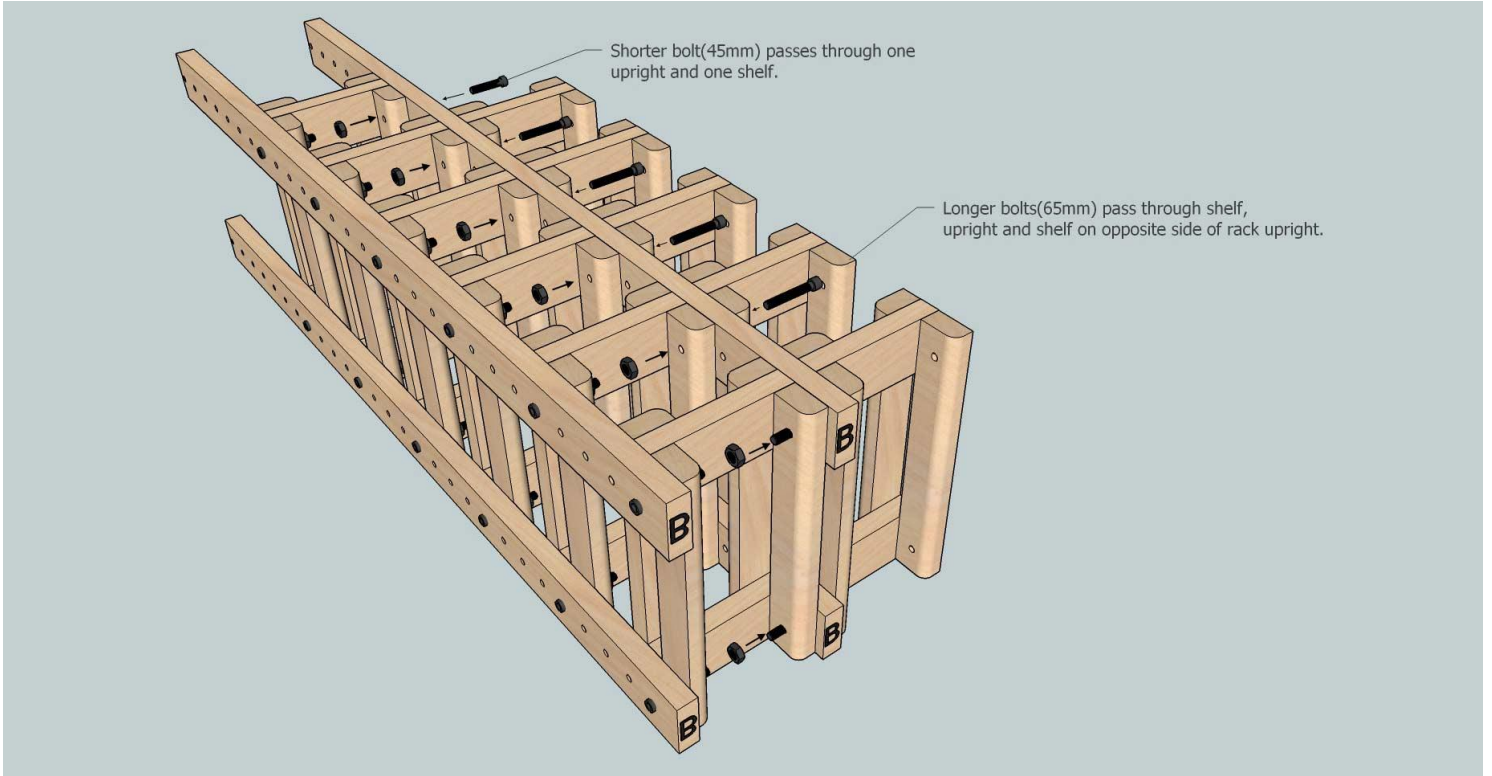

Step 1. Align all rack uprights as shown with ends marked "B" at the same end. This end of rack uprights is the bottom of the rack and will sit on the floor.

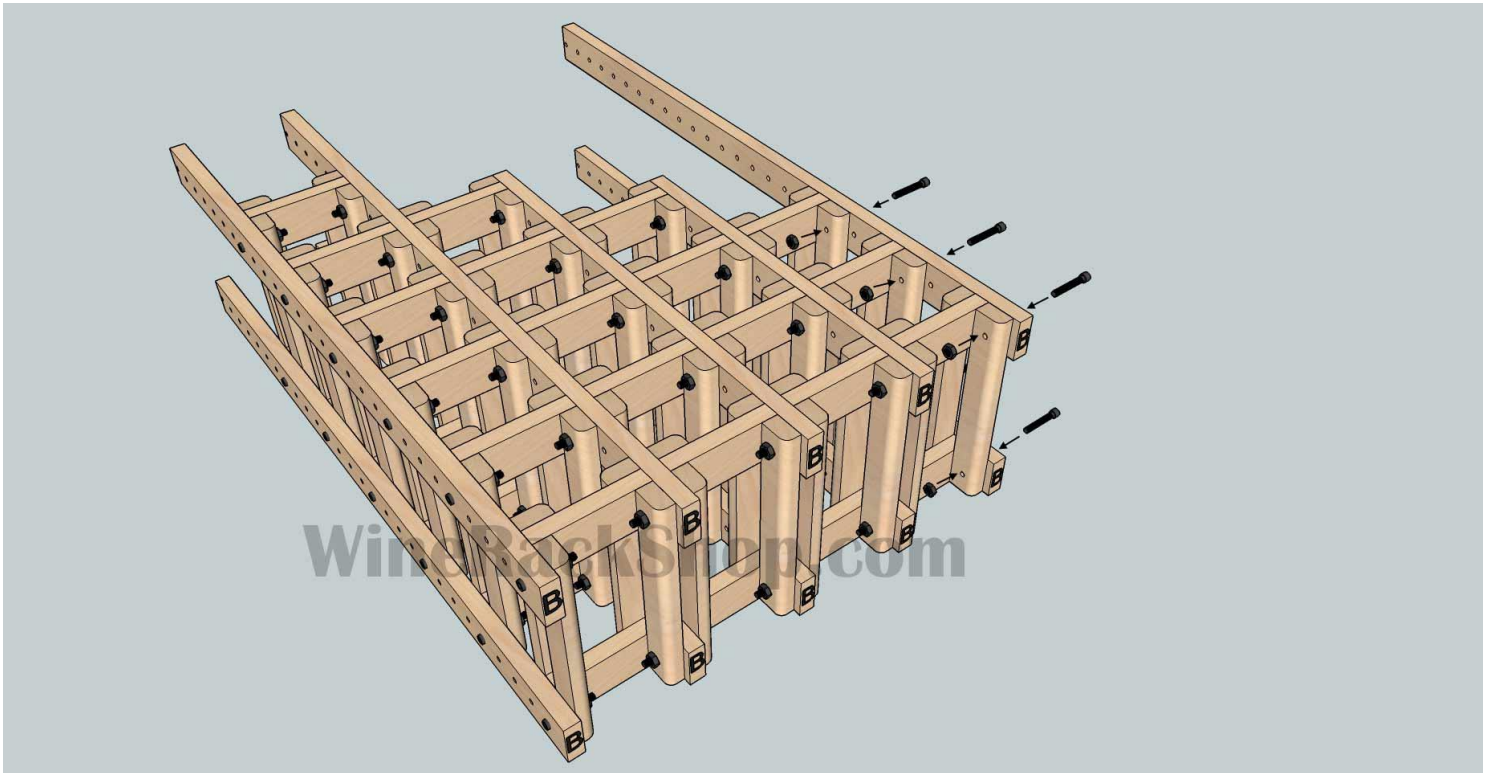

Step 2. Using shorter bolts(45mm) attach 2 of the longest rack uprights to single bottle shelves. Hand-tighten nuts.

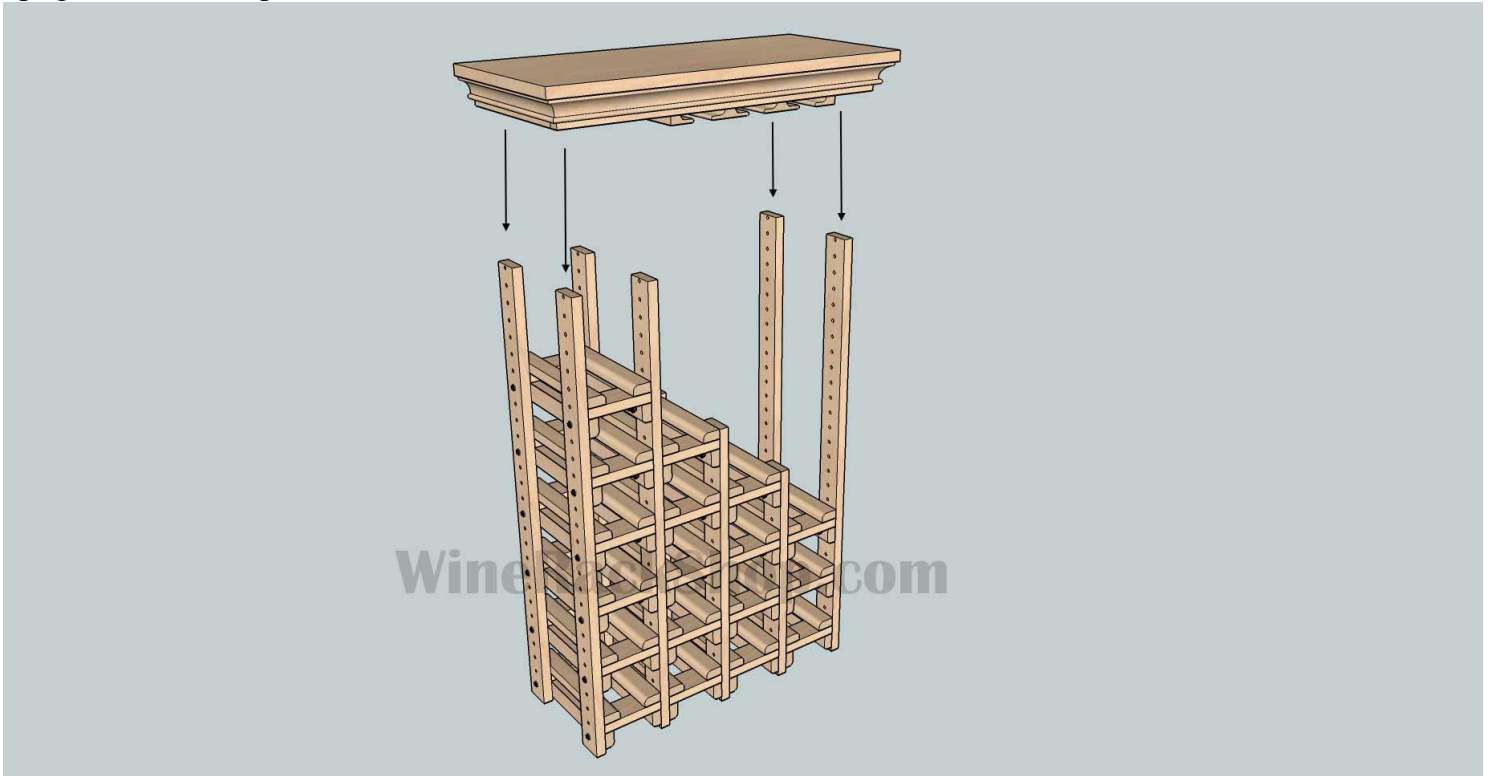

Step 3. Using longer bolts(65mm) attach longest 2 rack uprights to single bottle shelves. Longer bolts will pass through a shelf hole, rack upright hole, and adjacent shelf hole. Hand-tighten nuts. Repeat step 3 for next column of rack shelves using shorter rack uprights for each subsequent column.

Step 4. Using shorter bolts(45mm) attach last 2 of the longest rack uprights to last 3 single bottle shelves in same fashion as step 2. Hand-tighten nuts.

Step 5. Tighten all bolts with Allen wrench provided. Bolt heads should slightly sink into wood for maximum tightness. Align rack top with stemware holders over waterfall section of racking and slide rack top over rack uprights and onto top of rack.

Step 6. Stand rack upright and using provided Allen wrench tighten all bolts and nuts. Bolt heads should slightly sink into wood for maximum tightness. Add your wine bottles to rack.
